To All Members of the Sarah Lawrence Community:

It is now time to move forward in the reorganization of this College so that it will be responsive to the needs of all who are involved in its life.

Mr. DeCarlo and I plan to present the means for making decisions, and our timetable for implementing them, at an all-college meeting tomorrow afternoon at 1 p.m. in Reisinger.

I am calling this meeting in response to requests from several different faculty and students groups -- all concerned with the major issues of curriculum, diversity and finance facing us.

So that we may all hear the presentation and discuss it together, I am asking those students now occupying Westlands to attend this meeting. They will be permitted to return to that building at the meeting's end if they so desire.
