Hello:

On Monday, November 16th at 3:30pm we will be walking out of our workplaces, classes, and other on-campus obligations to meet on the South Lawn as part of [#BLACKOUTSLC](#). #BLACKOUTSLC is an action organized by students of color, to strive for racial equity on our campus and across the country.

I am reaching out to invite you to join us and stand in support of students, staff and faculty of color at Sarah Lawrence. I also ask that you forward this email to your networks.

Thank you.

Best,
